

LESSON 04

AI FOR STUDY

Study smarter with AI.

GOAL

Learn how to use AI for studying, understanding lessons, summarizing ideas, and checking your English.

LEVEL

A2–B1

TIME

45–60 MIN

YOUR MISSION

Study smarter, not harder.

MISSION

In this lesson, you will use AI to understand a topic, summarize information, and create simple study questions.

TRY THIS STARTER

“Explain photosynthesis in simple English, then give me five questions to check my understanding.” ”

USE AI WELL

- 01 Understand first.
- 02 Summarize clearly.
- 03 Ask for practice questions.

DON'T JUST COPY. LEARN.

KEY VOCAB

Study words that really help.

01

SUMMARIZE

make something shorter

02

TOPIC

a subject you study

03

NOTE

a short piece of
information

04

QUESTION

something you ask

05

ANSWER

a response

06

UNDERSTAND

know the meaning

07

REVIEW

study again

08

RESEARCH

look for information

09

SOURCE

where information
comes from

10

EXAMPLE

something that shows
an idea

11

PRACTICE

do something again
to improve

12

FEEDBACK

advice to improve

“ Good study prompts save time
and build understanding. ”

LANGUAGE TOOLS

Useful phrases for study prompts.

EXPLORE
UNDERSTAND
LEARN

01

UNDERSTANDING A TOPIC

- Explain this in simple English.
- What does this mean?
- Give me an easy example.
- Why is this important?

CONDENSE
CLARIFY
REMEMBER

02

SUMMARIZING

- Summarize this text.
- Turn this into bullet points.
- Make the main ideas shorter.
- Show me the key points only.

PRACTICE
IMPROVE
BUILD CONFIDENCE

03

PRACTICE & FEEDBACK

- Give me five questions.
- Check my answer.
- Correct my grammar.
- Test me on this topic.

LEARN CLEARLY. PRACTICE ACTIVELY.

PROMPT LAB

Build better study prompts.

✗ BAD PROMPT

“Help me study biology.”

Too broad.

✓ BETTER PROMPT

“Explain biology in simple English.”

Better, but still broad.

✓ PRO PROMPT

“Explain photosynthesis in simple English for a high-school student. Use short sentences, give one example, and then write five review questions.”

Specific topic + level + format = stronger study help.

LEARNING

01 CHALLENGE

Pick one topic and turn AI into your study partner.

- 1 Pick one school or work topic.
- 2 Ask AI to explain it simply.
- 3 Ask for a summary.
- 4 Ask for five questions.
- 5 Answer one question yourself.

02 COPY THIS PROMPT

“

Explain climate change in simple English. Give me three key points and five short review questions.

”

ASK

REVIEW
GROW

03 QUICK REVIEW

- 1 What does summarize mean?
- 2 Why is a specific topic better?
- 3 Give one phrase for asking AI to test you.
- 4 What is feedback?
- 5 Should you copy answers without understanding them?
