MISSION

Use AI as an interview coach. Answer questions, get feedback, and improve your response without sounding memorized.

TRY THIS STARTER

Ask me: Tell me about yourself.
Wait for my answer, then give me feedback.

USE AI WELL

01

Answer first.
Don't ask AI to
write everything.

02

Ask for feedback
on clarity and
confidence.

03

Try the answer again
in your own words.

CONFIDENCE IS PRACTICE.
Not perfection.

BAD PROMPT

Ask me interview questions.

Too broad.

BETTER PROMPT

Ask me 5 interview questions
for a customer service job.

More useful.

PRO PROMPT

Act as a recruiter. Ask me one interview
question at a time for a customer service
role. After each answer, give brief feedback
on clarity, grammar, and confidence.

Role + job + process + feedback.
